New York's Milk Supply.

WASHINGTON, JAN. 17 .- An interesting report on the milk supply of New York has been published by the Department of Agriculture, Among other things it states that the daily consumption by the 3,500,000 residents is \$75.000 quarts of milk, not including rream. It is safe to infer, the report mays, that if the cream consumed were estimated on the same basis as the milk o assumption the industry would be shown to amount to over 1,500,000 quarts daily, for which more than 200,000 cows would be required to produce the supply.

#### STATE OF KANSAS IS SHORT \$78.000.

Gov. Hoch Discovers that \$60,000 in Coupons Is Missing from Bonds.

TOPEKA, Jan. 17.&A total shortage in the Kansas State Treasury of \$78,000 is shown by the report of Accountant Morris, according to a summary prepared by Gov. E. W. Hoch, and made public late yesterday. The report covers from Jan. 1, 1898, to June 30, 1905, including the two full terms of Treasurer Frank Grimes and one term and six months of the administration of Thomas

T. Kelly, the present Treasurer.

The larger part of the shortage appears during the Grimes administration About \$60,000 is due to missing coupons bonds owned by the State School fund and \$15,000 to loss of interest on warrants issued by Oklahoma to KanCZAR GIVES AID TO JEWISH LAD WHO IS A MUSICAL GENIUS.

MISCHA LUMAN

sorung into fame on the Continent. Mischa Elman, the fourteen-year-old son of a Jewish schoolmaster of Tal noie, in Southern Russia, has developed such an extraordinary genius that an offer of \$150,000 has been offered for his temporary musical service. His father refused the offer.

The Czir, realizing the boy's great gifts, temporarily suspended the law which debars all Jews, except those native to the city from entering St might be given a free education at the St. Petersburg Conservatoire.

An Extraordinary One-Day Sewing Machine Sale. \$40 Sewing Machines for \$10.

Buy a sewing machine from a eputable house only, one that does not make any misrepresentations. Some sewing machines sold by others are advertised as having ball-bearing parts when there is not a ball-bearing part in the entire machine. They are made up cheaply and soon become utterly worthless. DO NOT BUY A MACHINE UNLESS IT BEARS A REPUTABLE MAKER'S NAME.

The machines we offer are made by one of the most renowned and largest manufacturers in the world. They are high-grade in every respect and fully guaranteed in every detail. Every machine bears the maker's name; nothing but the very best material is used in their manufacture, equipped with all the latest improvements. Light running and perfectly noiseless.
